Unit Role: HQ ARRC is to be prepared to deploy at very high readiness on NATO, EU, coalition or national orders to undertake combined and joint operations.

Position Role: INTWO (current intelligence (CUINT). Supports ARRC situational awareness, including oversight of the Common Intelligence Picture (CIP) when deployed. CUINT Team as part of HQ ARRC's G2 'Main'. Directly supports understanding of the current situation and link to the future intelligence (FUINT) team covering the +48 to +120hrs timeframe. Required to support the link between the CUINT and FUINT function to ensure consistency of the CIP, clarity of I&W and inform plan refinement.

Responsibilities:

1. Command and manage the CUINT team in maintenance of the CIP.

2**.** Manage intelligence production, including INTREPs, input to INTSUMS and other R2 as required.

3**.** BPT act as a G2 representative to other elements of ARRC HQ to explain the enemy intent to aid the planning process.

4**.** Prepare and deliver updates and briefs regarding enemy capabilities, dispositions and intent.

5. Manage I&W and support the preparation of battle damage assessments.

6. Understand, apply and oversee use of UK and NATO intelligence applications and data sources to enable analysis and dissemination.

Pre Appt/Deployment Trg: Previous Intelligence experience essential.

Domestic Considerations: N/A

Performance Attributes	**Priority Component Features**
Problem solving and decision making	Identifies gaps in information; searches for, critically reviews and utilises it effectively to accomplish organisational goals.
Engaging Others	Establishes connections and builds rapport to gain support and commitment from others.
Adaptability and Initiative	Adapts to new circumstances, bringing to bear both common sense and innovation. Anticipates problems and grasps opportunities for improvement.
Awareness and Understanding	Demonstrates an appreciation and understanding of associated organisations and cultures, modifying own behaviour to operate effectively in varying contexts.
