- b. To maintain currency and competency in authorised diving equipment required to support DTXG CP outputs.
- c. To co-ordinate, through respective Diving Squadrons, succession and training plans necessary to sustain Op LONGSTONE operational outputs on behalf of the CO DTXG.
- d. To act as the primary focus for all Recompression Chamber (RCC) (Type B, TMCC and NSRS TUP) matters in DTXG, ensuring SOTT/SOTR requirements are captured and input accordingly.
- e. To directly support Op LONGSTONE as a NSRS Supervisor, contributing to the DTXG FE held @R1 (48 hrs NTM).
- f. To maintain visibility of all DTXG RCC maintenance and operational capability.
- g. To be the primary liaison in DTXG for the NSRS Diving Officer (DivO), coordinating NSRS training activity as necessary.
- h. To be the DTEG booker and administrator for the NDAC TMCC.
- i. As directed by WO1(D) DTXG, act as a member of RN Mar-IEDD Directing Staff (DS) Panel in support of all DTXG MEOD and Mar-IEDD Validation exercises.
- j. To be a JSIEDD No1 Operator and maintain licencing currency iaw JSSOPS.
- k. To maintain fitness to dive and remain in-date medically via Annual Diving Medical (ADM).
