| <p>Unit Role: Maritime Domain Awareness (MDA) is the effective understanding of anything associated with the Maritime Domain that could impact the security, safety, economy or environment of the UK and its overseas territories and dependencies.</p> <p>The RN MDA Programme was established by Navy Digital to manage the development of the UK's MDA information capability – to Collect, Understand and Exploit. Comprising a range of managed systems, maritime trade reporting bodies, maritime information centres and the MDA Capability Engineers delivered by Navy Digital. The RN MDA Programme has a leading role delivering the UK's National Strategy for Maritime Security.</p> | | | |
| <p>Position Role: The MDA International Liaison Officer (ILO) – India and IOR will primarily be based out of the Information Fusion Centre – Indian Ocean Region (IFC-IOR) and UK Defence Section New Delhi, with travel to Far East and South East Asia coherent with MOD and Foreign Commonwealth and Development Office (FCDO) strategic objectives as required by MDA Programme Manager (PM).</p> <p>Functional authority for this position is to Navy Digital through SO2 MDA OPS. Administrative authority is through NAA India.</p> | | | |
| <p>Responsibilities:</p> <ol style="list-style-type: none"> 1. Act as the UK ILO to IFC-IOR, supporting MOD and FCDO maritime security objectives, under supervision of Director IFC-IOR, acting as the link between IFC-IOR and UK maritime security centres (UKMTO, JMISC, NWD MOC, etc). 2. Act as a regional maritime security expert, contributing to IFC-IOR and UK Gvt Understanding through provision of maritime trade and MDA advice through close collaboration with MDAP and UK Gvt staffs in the IOR 3. On behalf of MDA PM, liaise with current and future regional MDA centres in the Far East and South East Asia, to assist in their ability to deliver MDA capability for National/Regional and International outputs. 4. Promote the UK's MTO and MDA capabilities within the region to extend influence and enrich the UK's wider National RMP. | | | |

| | | | |
