## Unit & Position Role

Unit Function	To maximise Defence's ability to meet the challenges of future operations by bringing science and technology to life through education and training.
Position Role	To promote the effective use of modelling, simulation and wargaming as a means of improving cognitive processes by providing SME advice, instruction and thought leadership across UK Defence.

## Responsibilities

Deliver DSAT compliant MOD Modelling & Simulation (M&S) educational courses at all levels to meet Defence priorities and requirements.
Act as technology focus / SME in Defence M&S and Wargaming for DCMCI.
Provide M&S advice and support to the Defence Simulation and Modelling Office (DMSO) as required.
Provide M&S and Wargaming advice to wider MOD, PAGs (including HOCs, DE&S and Industry), Allies and Partner Nations in support of Defence and National interests.
Provide line management support to subordinates within CoC.
Provide directed research, SME advice and delivery support to the Academic Partner (AP) in line with the AP Contract.
Act as the link DS for S&M- and Wargame-related MOD bespoke training, including OGDs, Allies and Partner Nations, and AP Private Venture courses.
Support wider educational course delivery at the Defence Academy, through the use of Simulation, Modelling and Wargaming, to generate specified learning outcomes.
Promote an inclusive culture within area of responsibility, working to increase understanding and engagement through education and initiative.
