Unit Role: The MR Cyber Unit provides expertise in computer and network operations in order to assure the protection of commanders' information and assist in the exploitation, for forensic purposes, of designated networks, systems and IT.

Position Role: SNCO/WO Coord – OR7

Responsibilities:
1. Deputise for the OC and Co-ord as required to provide full time deployable ops capability, including liaison with NCHQ and the JFCyG (R) Ops desk, throughout UK and abroad.
2. Liaison with other Cyber Units throughout the UK to ensure joint training opportunities
3. Responsible for managing the MCUR Tasking Tracker and working alongside the Ops Officer. This includes liaison with customers and demanders/stakeholders such as MCSU, MAB, PAG and PJHQ.
4. Facilitate tasking by ensuring personnel and DOs are communicating their availability for taskings. Communicate opportunities to MCUR.
5. Manage, organise and plan all requirements for unit equipment including stores/exchanges in UK and abroad, accounting for all unit equipment in UK and abroad as required and in accordance with current regulations to support operations and OCO.
6. Carry out any additional tasks as directed by the OC.

Pre Appt/Deployment Trg: Must pass Employing Unit Selection Board

Domestic Considerations: ADC (140 days)
